

## **PECFA Annual Reporting Announcement**

**Bureau of PECFA  
Annual Reporting/Occurrence Classification Group  
Shawn Wenzel, Chair  
April 2005**

Annual site reporting requirements for all PECFA sites will need to be completed during the period lasting from May 1, 2005 until 30 days following the effective date of the proposed Comm 47 Wis. Admin. Code changes. An additional announcement will be made when the rule changes are effective and the reporting period end date is known.

The reporting will need to be completed by consultants and responsible parties using the link labeled "Annual Site Reporting Page" that can be accessed via the PECFA home page (<http://commerce.wi.gov/ER/ER-PECFA-Home.html>). PECFA encourages all consultants/owners to complete reporting responsibilities as soon as practicable.

Questions and suggestions regarding this year's reporting should be emailed to [siteclassification@commerce.state.wi.us](mailto:siteclassification@commerce.state.wi.us). Questions will be answered as soon as possible.
